Purchasing Card and Events Policy Update

Rusty Haines
Travel and Cards Program Supervisor
Accounting Services

Purchasing Card Program Update

- Purchasing Card mass reissue and elimination of designated use is deferred from 12/31/17 to allow time to:
 - Address additional Purchasing Card Internal Control observations
 - Pilot and implement Department Purchasing Card Program (see below)
- Reminder: No new designated users may be authorized effective 5/8/17.
- Department Purchasing Card was approved by DOA October 5
 - Would be a Visa Card issued by US Bank and supported by Access Online and distinct from Purchasing Card and Corporate Credit Card programs.
 - Pilot testing and analysis is required prior to full campus implementation; targeted to begin January 2018.
 - DOA has required a full review of the Department Card after the program has been operational for one year.

Purchasing Card Program Update

Department Purchasing Card

- Issued to Departments – Department name on card – Departments can have multiple cards.
- Must have Site Manager and **Division Financial Officer approval** to receive a Department Card.
- Each card is assigned a Department Card Administrator (DCA)
 - DCA must be an employee of the UW (no students/no student employees)
 - DCA will have an assigned Site Manager
 - DCA is personally responsible for all Department Card activity and requirements
 - DCA's Site Manager is personally responsible for review/reconciliation of all Department Card activity
- **A transaction activity log is required to track the location and use of the card.** All other card rules apply (e.g. supporting documentation, business purpose, funding allocation).

Gift Policy and Procedure Changes

Use of WFAA Gift Funds Policy Gift Acceptance & Use Procedures

Published December 2017:

- Use of WFAA Gift Funds Policy 131
- Gift Acceptance Procedure 131.1
- Gift Use Procedure 131.2

These publications replace the Chancellor's memo dated November 1, 2011

Use of WFAA Gift Funds Policy Gift Acceptance & Use Procedures

Key highlights:

- Five gift criteria remain the same
- No changes to process for depositing gift funds at WFAA nor for requesting gift funds from WFAA for use
- Note that gift funds are allowed to be deposited on campus in certain circumstances
- Guidance provided in Gift Use Procedure for fundraising events

Gift in Kind Policy & Procedure

Published December 2017:

- Gift in Kind Policy 130
- Gift in Kind Procedure 130.1

These publications replace the RSP memo dated July 19, 1983

Gift in Kind Policy & Procedure

Key updates to process of accepting a Gift in Kind:

- Complete and forward a [Gift in Kind Routing Form](#) prior to taking custody of the item(s) being donated
 - ✓ Certain donations facilitated through WFAA, see Policy 130
- Additional informational fields have been added to Routing Form for capital equipment items valued at \$5,000 or more
- Accepting department will provide a copy of Donor Acknowledgement Letter to Gift Management once issued

Gift Policy & Procedures

Documents and resources can be found on Gift Management page of Accounting Services web site:

Custodian Funds System and NR Number Generator

Rochelle Cushman
Cash Management Supervisor
Accounting Services

Custodian Funds System

New Cash Management system mainly for internal tracking purposes of Custodian Funds

Custodian Funds System

NR Number

Current NR Number

- NR followed by a maximum of 7 digits (letters or numbers)
- Identifier for all types of Custodian Funds

NEW NR Number

- NR followed by 7 numbers
- Unique identifier for all types of Custodian Funds
- NR Number Generator for campus departments

NR Number Generator

- To be used for all future Custodian Fund requests
- Campus departments will need to generate an NR number to be used on all paperwork for opening any type of Custodian Fund.
 - The generated NR number will then be used on all paperwork for the Custodian Fund type that is opened.

Link for NR Number Generator:

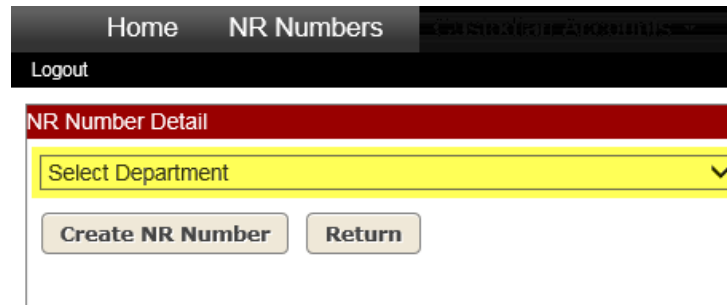

<https://www.busserv.wisc.edu/custfundsys/NR-Numbers>

NR Number Generator

- On the NR Numbers page, click Create NR Number

- Select Department from drop down.

NR Number Generator

- You can start typing the department ID when you have the drop down selected, so you don't have to scroll through the entire list.
- If the UDDS is not listed, please contact Cash Management via cstdnfnd@bussvc.wisc.edu and ask us to add the UDDS to the Custodian Funds System.

The screenshot shows a web application interface for the NR Number Generator. At the top, there is a navigation bar with 'Home' and 'NR Numbers' links, and a 'Logout' button. Below the navigation bar, there is a red 'Edit' button. A dropdown menu is open, displaying a list of department codes and names. The list starts with '030100 MSN\BUS SV\ADMINISTRATION\ADMINISTRA' and ends with '276100 MSN\SOHE\HUMAN DEVELOPMNT\HDFS'. The dropdown menu has a search bar at the top labeled 'Select Department'.

ARE YOU PREPARED FOR FISCAL YEAR END 2017?

As we approach Fiscal Year End 2017 you will need to be aware of important deadlines for year-end processing.

June 16, 2017

- All purchases made through Shop@UW and the MDS Verona warehouse must be placed by end of business day on June 16, 2017, to ensure that the charges are applied to FY17 funding.
- Please keep in mind that even if orders are placed by June 16, any potential back-orders may be delayed and could be billed in FY18.
- Orders placed after June 16, 2017, may or may not be billed to FY17 depending on product receipt date and potential back-order status.

MDS Cost Recovery

Current State

- All pricing displayed on Shop@UW is negotiated competitively at the time contracts are awarded.
- In addition to competitive pricing vendors provide negotiated discounts or rebates to MDS for eCommerce support and services. (i.e. Prompt Payment, Batch Processing, Customer Management, electronic invoicing etc.)
- Vendor rebates and discounts are collected and retained by MDS and are used to cover operating expenses. (MDS Facilities, Trucks, Drivers, Jaggaer software, etc.)
- The amount of these rebates and discounts are not disclosed to the customer.

Why Change the Cost Recovery Methodology?

- Federal interest in whether allocations of costs and discounts related to purchases have been applied according to federal cost accounting standards
- Federal regulations are in place to ensure that federal awards are not overcharged for internal services compared to other sources of funding
 - Institution may not discriminate between assessment of costs for supporting activities related to federal awards and costs for supporting activities related to non-federal funding sources
 - Cost allocation must be designed to recover only the aggregate cost of the services provided
- UW-Madison currently differs from peer institutions in recovering costs for eCommerce operations by using vendor discounts and rebates
- Biennial review of operating expenses will likely result in rate adjustments

MDS Cost Recovery

Future State

- Vendor pricing on Shop@UW remains negotiated by contract.
- In accordance with Federal rules, all vendor discounts and rebates will be passed on to the customer. These discounts and rebates will be applied directly at the point of purchase.
- MDS will recover its operating costs by applying an overhead cost recovery rate that has been calculated for each vendor.
- This new funding model will provide a more stable source of funding for eCommerce at UW-Madison and improves transparency of the Shop@UW purchasing process.

- Estimated additional cost of \$28,000 over the course of the fiscal year.
- Over 72% of all Shop@UW spend is with Grainger, MDS Warehouse, and Crescent.

MDS Cost Recovery

- Users will benefit from increased transparency regarding the costs associated with Shop@UW services and how those expenses are allocated.
- MDS is working with Business Services leadership to plan for improvements in procurement strategy and tools, in partnership with colleagues at UW System and UW Milwaukee, and with the help of Huron through their ERP Assessment of the Shared Financial System.
- While other methodologies were considered, this was the only viable option that promotes equitable contribution from all funding sources.

WISCONSIN
UNIVERSITY OF WISCONSIN-MADISON

What is WISER?

- WISER is a modern, web-based Enterprise Reporting tool that has been developed by DoIT for all campuses in the UW System
- WISER contains financial and demographic data from SFS, HRS and certain legacy transactions presented as online reports and transactional line detail
- Currently department, expense, transaction, and payroll reports are available
- In the future project, AP/PO, and funding validation searches will be available
- WISER will be implemented using a phased rollout approach with the Department Search, Transaction Search, and Payroll Reports going live in mid-December
- Don't Worry! WISDM isn't going away yet!
